

BAJA PROOF HEAT EXCHANGER

TESTED & PROVEN

This heat exchanger design has been tested and proven by racers such as Shannon Campbell, Steve Olliges, Jay Box, Doug Mittag, and Kyle Leduc.

BETTER BY DESIGN

- Weighs only 6 lbs.
- Billet aluminum tough enough to throw rocks at.
- No leaks using double O-ring seals.
- Can be used on power steering, motor oil, and transmissions.
- Only heat exchanger you can completely take apart and clean.

'BY USING HOWES' NEW HEAT EXCHANGER, WE WERE ABLE TO REMOVE ONE OF TWO TRANSMISSION COOLERS, ELIMINATING THE ELECTRICAL DRAW!' -JAY BOX
